Hebron Valley Elementary School

Week of May 20 - May 23, 2019

End of Year Class Party ...

The end of the year party will be this Wednesday, May 22 from 1:15 to 2:00. We will be outside for part of the party please put a little sun screen on your child in the morning if possible. Please contact Mrs. Satyanathan if you can help or to see if she needs volunteers to come to the party to lend a hand. Parents are welcome and we hope you can attend.

Our Last Few Days At-a-Glance ...

It is hard to believe we are down to our last few days this school year. Parents please encourage your students to continue to be well-behaved here at school. We have many fun activities planned for our class this week as we end our wonderful Kindergarten year together! The students may bring a beach towel and a stuffed animal (acts as a pillow) on Monday and leave them until Thursday to enhance our fun activities each day. These items must fit in your child's backpack:

- Monday - "Pop into First Grade!" and "Reading into First Grade!" We will enjoy popcorn while writing about kindergarten and reading our favorite books. Monday is also yearbook signing day.
- Tuesday - "Game On into First Grade!" We will play board games and cards together!
- Wednesday - "Hats off to Kindergarten." We are off to First Grade! Where we will wear our favorite hat to school!
- Thursday - "We are Cool in Kindergarten!" Wear your sunglasses and HVE t-shirts

Avoid the "Summer Slide" ...

Parents, *iStation* is a district-paid resource which will be available to your student until the first week of August. Please encourage them to log on to *iStation* math and reading during the summer to keep their skills sharp!

... In the spotlight:

Parents, would you please assist your students in checking around your home for books from the classroom library and the leveled readers I have been sending home all year. We are missing quite a few books that were lent out this year. The books should have my name on them, but if they were the campus books they may not. Also, if you could check for any of my supplies (especially books) that I may have sent throughout the year to make sure they are returned.

On **Wednesday**, please send your student to school with a **large paper bag** (the "old school" kind from the grocery store) so that I may better pack their "stuff" to go home. I will send home things each day to lighten their load on the last day. They will eat lunch on Thursday and then be released early at 11:45!
